NATIONAL RECONNAISSANCE OFFICE

14675 Lee Road
Chantilly, VA 20151-1715

4 June 2012

This is in response to your email dated 21 March 2011, received in the Information Management Services Center of the National Reconnaissance Office (NRO) on 21 March 2011. Pursuant to the Freedom of Information Act (FOIA), you are requesting *"any list or lists of monograph/report titles (bibliography) in the NRO History Office"*.

Your request was processed in accordance with the Freedom of Information Act, 5 U.S.C. § 552, as amended. A thorough search of our files and databases located one document consisting of five pages responsive to your request which has been previously released in part to another requester. This record is being released in part to you as well.

The material being withheld is denied pursuant to FOIA exemptions:

(b) (1) as properly classified information under Executive Order 13526, Section 1.4(c) and (g);

(b) (3) which applies to information specifically exempt by statutes:

50 U.S.C. § 403-1, which protects intelligence sources and methods from unauthorized disclosure;

10 U.S.C. § 424 which states: "Except as required by the President or as provided in subsection (c), no provision of law shall be construed to require the disclosure of (1) The organization or any function . . . (2) . . . number of persons employed by or assigned or detailed to any such organization or the name, official title, occupational series, grade, or salary of any such person . . . (b) Covered Organizations . . . the National Reconnaissance Office"; and

(b)(6) which applies to records which, if released, would constitute a clearly unwarranted invasion of the personal privacy of individuals.

The FOIA authorizes federal agencies to assess fees for record services. Based upon the information provided, you have been placed in the "other" category of requesters, which means you are responsible for the cost of search time exceeding two hours (\$44.00/hour) and reproduction fees (.15 per page) exceeding 100 pages. Additional information about fees can be found on our website at www.nro.gov. In this case, no assessable fees were incurred.

You have the right to appeal this determination by addressing your appeal to the NRO Appeal Authority, 14675 Lee Road, Chantilly, VA 20151-1715 within 60 days of the date of this letter. Should you decide to do so, please explain the basis of your appeal.

If you have any questions, please call the Requester Service Center at (703) 227-9326 and reference case number F11-0054.

Sincerely,

A handwritten signature in black ink, appearing to read 'S. R. Glenn', with a stylized flourish at the end.

Stephen R. Glenn
Chief, Information Access
and Release Team
