INFORMATION ABOUT PERSONALIZED LICENSE PLATES

GENERAL INFORMATION

Personalized license plates are available for the one-time fee of \$50; which is in addition to the regular registration fee. Should the registration expire for a period of more than two years, an additional fee of \$50 is necessary to reactivate use of the personalized license plates.

The license plates will be issued to the registered owner as shown on the application. Personalized license plates may be reissued to a different name, but another \$50 fee is required.

Requests will be honored on a first-come, first-served basis. **Reservations are accepted only upon filing of an application and payment of the fee.** No reservation will be accepted without payment. Application forms are available at all Motor Vehicle Agencies.

LEASED VEHICLE WARNING

All courtesy, personalized or special issues license plates are issued in the name of the registered owner of the vehicle.

If you change leasing companies, purchase the leased vehicle from the company or purchase some other vehicle in your name, you will need to reapply and pay \$4.50 to reissue the license plates.

You will also need to secure a letter from the previous owner of the license plate, on company letterhead, releasing the license plate so it can be reissued in your name or the name of your new leasing company. **The new vehicle will need to be registered with standard license plates. Please include a copy of the old and new lease agreements with your application.**

Dear Ms. [REDACTED]:

This is in response to your letter dated April 23, 2010, addressed to the Motor Vehicle Commission regarding the denial of your personalized plate application.

After reviewing all documentation regarding your case, I can sympathize with your frustration of being denied a personalized plate of your choice especially considering your clean driving history. The Motor Vehicle Commission is by no means discriminating against you personally. As a government agency, it is our responsibility to adhere to the rules and regulations of the New Jersey Administrative Code, N.J.A.C. 13:20-34.3 which clearly states that a request for a personalized plate with **"any combination of alphabetic characters or numbers, or both, that may carry connotations offensive to good taste and decency"** will not be issued. Meaning that you may not perceive this plate choice to be offensive yourself, but other New Jersey motorists may.

As previously advised by the Special Plate unit, please choose another personalized plate choice and submit your application and check in the enclosed envelope.

Thank you for your cooperation in this matter.

Sincerely,

Michael W. Cox, Director
North Agency Operations

Dear Mr. [REDACTED]

This is in response to your email dated April 15, 2010, addressed to the Office of the Governor regarding the denial of your application for personalized plate "T3CH".

After reviewing your application, the Motor Vehicle Commission has determined that you are not eligible for the personalized plate requested. Pursuant to statute, N.J.S.A. 39:3-27.29, registration plates imprinted with three letters and a numeral are reserved for "any person who is a member of the board of chosen freeholders in, or surrogate, county clerk, county register of deeds and mortgages, elected county executive, sheriff, or any other officer of any county." Unfortunately, you are not eligible for the requested plate because you are not a member of one of the categories listed in N.J.S.A. 39:3:27.29. Accordingly, please make another personalized plate selection on the website or continue to maintain your standard plate. Please be assured that the Commission is by no means discriminating against you personally. As a government agency, it is the Commission's responsibility to adhere to the laws of the State of New Jersey.

Thank you for your cooperation in this matter.

Sincerely,

Michael W. Cox, Director

Dear Mr. [REDACTED]

This office has received your response to the notices sent to you advising your license plates #33MTE3 are offensive and must be surrendered.

While we understand your reluctance to change your plate, you must understand the current combination has been found to be offensive and must be canceled. Whether a member of the public notified the Commission of the offensive plate or the issue was discovered through an internal audit is not relevant. As previously stated, the Motor Vehicle Commission (MVC) has no alternative but to recall the plate.

Since you have not submitted an application for replacement plates and we are required by law to remove offensive plates, your plates #33MTE3 have been canceled and can no longer be displayed on your vehicle. Enclosed, please find New Jersey license plates ? and a registration. You must affix these plates to your vehicle immediately. Failure to do so may result in a summons and the impoundment of your vehicle should you be stopped by law enforcement.

Please surrender plate #33MTE3 to this office within 30 days. After that time, your registration privilege will be suspended indefinitely until the plates are returned to the Motor Vehicle Commission and you pay a \$100 restoration fee.

I am again enclosing an application for personalized plates for your use. Please submit the application in the enclosed envelope. If your choice is available, we will process the request and have your new plates issued at no fee.
