E. HOW TO USE THIS CATALOG

1. Appendix A, AV Thesaurus, and Categorical Index. This appendix contains a list of subjects, by category field, group codes, and scope notes that provide the key to locating AV productions listed in Appendix C.

a. The Thesaurus contains scope notes that should be used when a specific AV production is not requested or when the title and number is not known. By using this section, specific categories can be identified and referred to. This is done by identifying the specific groups and subgroups within a general subject field.

b. There are currently 21 general fields and 157 groups that are recognized officially in the DAVIS. An alpha character is assigned to each general field. For example, "A" is Aeronautics, "B" is Behavioral and Social Sciences, and so forth. Subject groups are divided further into groups that are identified by numbers beginning with "01" in each field. The number "01" in field "A" represents "Aerodynamics."

c. Finally, Appendix A contains an index of each production by category; such as "subject" and "group codes." Any particular AV production may be listed under more than one category.

2. Appendix B, Alphabetical Title Index/SAVPIN Cross Reference. This appendix lists AV productions by title in alphabetical order. When the articles "A", "An," and "The" are used in the title, they appear at the end of the title; that is, the title "The Death of Superman" is listed as "Death of Superman, The." When the title of a production is known, the user shall:

a. Locate the AV production by title.

b. Identify the SAVPIN.

c. Find the SAVPIN listed numerically in Appendix C for a complete description of the AV production.

3. Appendix C, Catalog of Navy and Marine Corps AV Productions. This appendix contains information on classified and unclassified AV productions available for general distribution. Data in the record includes:

a. The DoD SAVPIN.

b. Production title.

c. Description of primary and secondary distribution media.

d. Length of the production or number of units.

e. Clearance (if any).

f. Currency status. (An AV production is current unless identified as historical).

g. Calendar year completed and security classification.

GENERAL INFORMATION

A. INTRODUCTION

1. This volume of the DoD Catalog of Audiovisual (AV) Productions is compiled from the Defense Audiovisual Information System (DAVIS) data base. It is intended for use primarily by Navy and Marine Corps activities.

2. This volume contains a listing of all Navy and Marine Corps AV productions that are in general distribution, and detailed ordering instructions.

3. This volume contains three appendices, as follows:

Appendix A	Section 1	AV Thesaurus
	Section 2	Descriptor Index
	Section 3	Categorical Index of AV Productions
Appendix B		Alphabetical Title Index/SAVPIN Cross Reference
Appendix C		Catalog of AV Productions (listed in numerical sequence by SAVPIN)

B. WHO MAY USE COPIES OF NAVY AND MARINE CORPS AV PRODUCTIONS

1. Navy and Marine activities, other DoD Components, and federal agencies are authorized to borrow copies of unclassified Navy and Marine Corps productions.

2. Copies of productions that have been designed as "cleared" also may be loaned to the U.S. public, including state and local governments. A complete listing of DoD AV productions cleared for use by the general public is found in Volume 4 of this Catalog.

3. Copies of classified Navy and Marine Corps AV productions are available for use by Navy and Marine Corps activities that have a "need to know" and to other DoD Components whose mission and functions require access to this classified information. The handling and control of all classified material shall comply with DoD 5200.1-R (reference (a)) and Navy, OPNAVINST 5510.1-F (reference (d)).

4. Inquiries from foreign governments, international organizations, or other foreign interests requesting loan, sale, or information on Navy and Marine Corps AV productions, shall be handled as follows:

a. Foreign governments and foreign military services may request AV productions through the U.S. Defense Attache Office of the American embassy in their country.

b. All other foreign interests shall apply through the U.S. Information Service.

5. Navy and Marine Corps AV productions are designated as follows:

a. Cleared. Productions that are cleared have been granted public clearance by the Assistant Secretary of Defense (Public Affairs) (ASD(PA)). These productions may be loaned or exhibited to the public with or without restrictions. These productions also are available for sale or rental to the public through the National Audiovisual Center (NAC), National Archives and Records Service, General Services Administration, Washington, D.C. 20409.

b. Not Cleared. Productions that are not cleared have not been granted public clearance by ASD(PA). They may have restrictions on exhibition, use, reproductions, distribution, or disclosure because of security classification or other legal restrictions. These AV productions may not be released to the public for exhibition purposes unless these restrictive conditions have been met and when public clearance has been granted by ASD(PA).

c. Specific Authorized Clearances or Restrictions. The most common codes found in this Catalog are:

(1) PE. Public Exhibition (nonprofit). Denotes an AV production that has been cleared only for nonprofit exhibition in the format listed; no admission may be charged.

(2) TV. Television (nonsponsored). Denotes an AV production that has been cleared only for nonsponsored broadcast by commercial television stations as a public service and by public television stations. (All AV productions in this category have been designated "PE".)

(3) TH. Theatrical. Denotes an AV production that has been cleared for exhibition or use by commercial enterprise, such as a theater that charges admission. (All AV productions in this category have been designated "PE.")

(4) PS. Public Sale. Denotes a "cleared" AV production that may be purchased through NAC. See paragraph B.5.a., above.

6. Status Designators. All AV productions listed in this Catalog either are current or historical. A historical production no longer reflects current DoD policies, programs, or procedures, but is retained for use because of its historical significance. Before all showings of historical productions, audiences must be apprised that such productions do not reflect current DoD policies, programs, or procedures.

7. Copyright Responsibility. Copies of proprietary AV productions that have been adopted for a DoD Component use or purchased for limited internal use shall be exhibited only in the formats for which the government has

received rights. U.S. Copyright Law (reference (b)), DoD 5040.2-R (reference (c)) and specific procurement conditions govern for each title. Violation of federal copyright laws by unauthorized reproduction or exhibition may result in judicial or administration penalties.

8. Loan of Copies of DoD AV Productions to DoD Contractors. Copies of all AV productions in this Catalog may be loaned to authorized DoD contractors for showing to contract personnel who have appropriate clearance. Each classified loan request shall by submitted through the appropriate Defense Contract Administrative Services Office for approval.

9. Prohibition Against Reproduction of DoD AV Productions. Copies of DoD AV productions are accountable AV records. The Inventory Control Point (ICP) for Navy and Marine Corps AV productions is managed by the Chief, Defense Audiovisual Agency, Tobyhanna Activity (DAVA-T-AC), PA 18466. No portion of DoD AV production may be reproduce unless specific written approval has been granted by the Chief of Naval Operations (OP-007D) for Navy AV productions; and the Commandant of the Marine Corps (TAP) for Marine Corp AV productions. The ICP will react only upon notification by OP-007D or TAP, as appropriate.

THIS FILM TAKES US STEP BY STEP THROUGH THE STAGES OF DYING AND SHOWS US THE WAY IN WHICH A RELATIVELY YOUNG FATHER AND HIS FAMILY FACED THE FACT THAT HE HAD TERMINAL CANCER. IT IS A SIMPLE BUT EFFECTIVE PIECE OF REPORTAGE WHICH IS DONE WITH A DEEP RESPECT FOR ITS SUBJECT. THERE IS NOTHING MAUDLIN OR PHONY ABOUT IT. INSTEAD IT SERVES AS AN ELOQUENT TESTIMONY TO FAITH IN GOD WHICH TRIUMPHS OVER THE NATURAL DESPAIR THAT ALL FEEL. SUCH IS THE DIGNITY OF THE FILM THAT ONE NEVER FEELS THAT HE IS AN INTRUDER IN THE PRIVATE LIVES OF PEOPLE, A QUESTION THAT MANY SUCH FILMS RAISE.

MILLIONS MORE BARED DETAILS OF THEIR PRIVATE LIVES TO THE SOCIAL SECURITY ADMINISTRATION AND CENSUS BUREAU. THE CONGRESS PASSED THE PRIVACY ACT OF 1974 TO ENFORCE THIS PRINCIPLE. LEGAL OFFICERS BERT GOODWIN AND LTC JAMES JOHNSON EXPLAIN THE PRINCIPAL PROVISIONS OF THE ACT. GOD REVEALS THROUGH THE LIFE OF JESUS HIS INTENTION FOR OUR LIVES. JESUS IS THE SUPREME EXAMPLE (MODEL) OF HUMAN LIFE AT ITS BEST. FROM THE BEGINNING, THE CROSS HAS OCCUPIED A PLACE AT THE CENTER OF CHRISTIAN FAITH. AN INSTRUMENT OF TORTURE IN THE FIRST CENTURY, IT RAPIDLY BECAME THE SUPREME SYMBOL OF MAN'S REDEMPTION. BUT THE DEATH OF JESUS ON THE CROSS WAS NOT THE END. JESUS WAS RAISED FROM THE DEAD. BUT WHAT DOES IT MEAN WHEN WE SAY THAT JESUS DIED AND ROSE AGAIN FOR OUR REDEMPTION?

34578-DN HOLY SPIRIT, THE

FROM EARLIEST TIMES, CHRISTIANS HAVE BEEN CONVINCED THAT THE GIFT OF THE HOLY SPIRIT IS A GIFT OF GOD'S GRACE COMPARABLE IN SIGNIFICANCE TO THE GIFT OF HIS GRACE IN THE INCARNATION OF JESUS. THE GIFT OF THE HOLY SPIRIT IS THE CLIMAX-THE CULMINATION-OF GOD'S REVELATION OF HIMSELF. INCREASING NUMBERS OF PERSONS ARE DISCOVERING THAT THEIR CHRISTIAN EXPERIENCE IS NOT COMPLETE UNTIL THEY HAVE "RECEIVED THE HOLY SPIRIT."

"IT IS THE MAN WHO IS IN A RIGHT RELATIONSHIP WITH GOD AS A RESULT OF HIS FAITH WHO WILL LIVE." THIS TRANSLATION OF ROMANS 1:17 CLEARLY REVEALS THE ESSENCE OF THE CHRISTIAN'S RESPONSE TO GOD. WE ARE NOT "SAVED" THROUGH GOOD WORKS. WE CANNOT EARN GOD'S FAVOR OR FORGIVENESS. WE ARE SAVED BY FAITH. THIS IS ONE OF THE FUNDAMENTALS OF NEW TESTAMENT TEACHING. BUT WHAT DOES IT MEAN?

IN THE NEW TESTAMENT IT IS OBVIOUS THAT FAITH INEVITABLY CALLS FORTH A NEW KIND OF LOVE. THE THEME OF THE THIRTEENTH CHAPTER OF FIRST CORINTHIANS, OFTEN CALLED PAUL'S "HYMN TO LOVE," IS THIS NEW CHRIST-LIKE LOVE WHICH PERMEATES THE LIFE OF CHRISTIANS. IT IS A LOVE WHICH DOES NOT ASK, "WHAT CAN I GET OUT OF YOU?" IT ASKS, "HOW CAN I GIVE OF MYSELF IN ORDER THAT YOU MIGHT BE FULFILLED?"

THE PHYSICAL DEATH OF ALL PERSONS IS A GIVEN FACT OF OUR HUMAN EXISTENCE. DEATH COMES FOR US ALL. STRUCTURAL INTEGRITY TECHNOLOGY IS A SYSTEM OF ENGINEERING METHODS BASED ON OBJECTIVELY QUANTIFYING FRACTURE AND CRACK GROWTH BEHAVIOR OF STRUCTURES. THE LECTURE SERIES IS IN FOUR PARTS. THE PART 1 LECTURE PRESENTS AN INTRODUCTION TO ENGINEERING ASPECTS OF FRACTURE MECHANICS. FRACTURE MECHANICS IS THE SCIENTIFIC BASIS FOR CHARACTERIZATION OF FRACTURE AND CRACK GROWTH PROPERTIES OF METALS. IT IS THE METHODOLOGY FOR ESTABLISHING CRITERIA FOR RELIABILITY IN STRUCTURAL DESIGN. BY USE OF FRACTURE MECHANICS, FRACTURE, FATIGUE, AND STRESS-CORROSION CRACKING ARE PLACED IN A FORMAT THAT FACILITATES ENGINEERING ANALYSIS.
