Against this impending strife, a young man with a divine vision leads a people against the aggression of an anti-hero with a vulnerable past.

The Work and The Glory: American Zion" sets the story of the fictional Steed family against the historically factual backdrop of the Mormon people's move into the West. Divided by their diverse reactions to a nascent ideology, the Steeds struggle to hold together as the strength of their convictions and their filial bonds are tested. The stirring narrative of the faith that led a persecuted people to Missouri and beyond is one of the most poignant untold tales of American history. It is the account of a valiant struggle to exercise the rights promised by a fledgling nation. 12) The Touch and Other LDS Classics (DVD) Covenant Communications

Five LDS classic videos on one DVD. One day, as Jesus was moving through a crowd of people, He suddenly turned and asked, "Who touched me?" The question confused His disciples. Anyone in the throng could have accidentally bumped against Him. Then Jesus said, "Somebody hath touched me: for I perceive that virtue [power] is gone out of me." The touch was an act of faith. A woman with an issue of blood had touched His garment, believing that by doing so she would be healed. And she was. When Jesus saw her, He said, "Daughter, be of good comfort: thy faith hath made thee whole." This moving account is beautifully captured in the BYU production *The Touch*.
