SUBJECT: Freedom of Information Act (FOIA) Request

I am responding to your December 21, 2006, FOIA request for a list of investigations closed since October 1, 2005.

My initial determination is to provide to you a redacted list of investigations closed between October 1, 2005, and December 21, 2006. Case numbers are being withheld under FOIA exemption (b)(2) to protect substantial internal matters, the disclosure of which would risk circumvention of a legal requirement. 5 U.S.C. § 552(b)(2). The titles of investigations are being withheld where necessary to protect personal privacy under FOIA exemption (b)(7)(C) and where release could reasonably be expected to interfere with enforcement proceedings under FOIA exemption (b)(7)(A). 5 U.S.C. §§ 552(b)(7)(A) & (C).

You have the right to appeal this initial determination to the Inspector General. Under 14 C.F.R. § 1206.605, the appeal must: (1) be in writing; (2) be addressed to the Inspector General, NASA Headquarters, Code W, Washington, DC 20546; (3) be identified clearly on the envelope and in the letter as an "Appeal under the Freedom of Information Act"; (4) include a copy of the request for the Agency record and a copy of the adverse initial determination; (5) to the extent possible, state the reasons why the requester believes the adverse initial determination should be reversed; and (6) be sent to the Inspector General within 30 calendar days of the date of receipt of the initial determination.

Sincerely,

A handwritten signature in black ink, appearing to read "K. H. Winters". The signature is fluid and cursive, with a long horizontal stroke at the end.
