This letter is in response to your Freedom of Information Act (FOIA) request of July 14, 2007, pertaining to an electronic copy of the FOIA Case Logs for CDC for FY 2006 and FY 2007 to date.

Enclosed are documents you requested.

Under authority of 5 U.S.C. 552(b)(2) of the Act and 45 CFR 5.63 of the Department's implementing regulations, we are withholding agency information which could risk the circumvention of internal agency practices in connection with emergency preparedness and the effective operations of government offices in crisis situations.

Pursuant to Section 319F-2(d) of the Public Health Service Act, 42 USC 247d-6b(d), we are withholding information pertaining to the Secure National Stockpile. Therefore, it is also being withheld under the authority of the Freedom of Information Act at 5 U.S.C. 552(b)(3), and the Department's implementing regulations at 45 CFR 5.64.

Certain portions of confidential commercial/financial information, disclosure of which would cause the submitter substantial competitive harm, were deleted. These deletions were made under the provisions of 5 U.S.C. 552(b)(4) of the Freedom of Information Act and 45 CFR 5.65 of the Department's implementing regulations.

Under authority of the Freedom of Information Act at 5 U.S.C. 552(b)(6) and the Department's implementing regulation at 45 CFR 5.67, names and other information, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, were deleted from these documents.

You have the right to appeal this decision to deny you full access to agency records. Send your appeal, within 30 days from the date you receive this letter, to the Deputy Assistant Secretary for Public Affairs (Media), U.S. Department of Health and Human Services, Room 17A-46, 5600 Fishers Lane, Rockville, Maryland 20857. Please mark both your appeal letter and envelope "FOIA Appeal."

The following abbreviations are used on some of the enclosed records: "UM" (uranium miner); "PR" (personnel records); "BM" (beryllium miner); and "MR" (medical records).

The fee is waived in this instance because it falls below our billing threshold.

Sincerely yours,
