This responds to your Freedom of Information Act (FOIA) request, dated January 7, 2006, and received in this Office on January 23, 2006, for a copy of the FOIA Case Log from October 1, 2004, through the present for the Offices of Public Affairs, Legislative Affairs, Information and Privacy, and Legal Policy. This response is made on behalf of the above-mentioned Offices.

We advised you in a letter dated February 21, 2006, that our search for responsive records was complete and that we would respond again after reviewing those records. We located ninety-nine pages of records and our review of those records is now complete. I have determined thirty-seven pages are appropriate for release without excision and copies are enclosed. Also enclosed are sixty-two pages that are appropriate for release with excisions made pursuant to Exemption 6 of the FOIA, 5 U.S.C. § 552(b)(6), which pertains to information the release of which would constitute a clearly unwarranted invasion of the personal privacy of third parties. For your information, the excised information consists of the names of individuals making Privacy Act requests and the names of certain third party individuals cited in FOIA requests.

If you are not satisfied with my action on this request, you may administratively appeal from this partial denial by writing to the Director, Office of Information and Privacy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, D.C. 20530-0001, within sixty days from the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

Carmen L. Mallon
Chief of Staff
