Re: Freedom of Information Act (FOIA) Request 2008-480

This is in response to your FOIA request dated October 9, 2007 seeking the Federal Aviation Administration's FOIA case logs for FY2006 and FY2007.

As requested, these records are being provided on the enclosed 2 CD-ROM's.

Information relating to names and personal identifiers has been redacted from portions of the enclosed records and is being withheld under Exemption 6 of the FOIA. Exemption 6 may be used to withhold records found in "personnel and medical files and similar files" when the disclosure of such information "would constitute a clearly unwarranted invasion of personal privacy," 5 U.S.C. 552(b)(6).

There are no fees associated with this request because the cost to process was less than \$10.00.

The undersigned is responsible for the above-described partial denial. You may request reconsideration of this determination by writing to the Assistant Administrator for Regions and Center Operations, Federal Aviation Administration, 800 Independence Ave., SW, Washington, DC 20591. Your request for reconsideration must be made in writing within 30 days from the date of receipt of this letter and must include all information and arguments relied upon.
