Re: FOIA Control No.: 2008-081

This responds to your Freedom of Information Act (FOIA) request which the Federal Communications Commission (Commission) FOIA Office received on November 27, 2007 for an "electronic copy of the FOIA Case Logs for the FCC for the time period FY2005 and FY2006 and FY2007 to the present." As you have requested, enclosed are the FOIA logs listing all requests received by the Commission pursuant to the Freedom of Information Act during the period from October 1, 2004 to present.

We are required by both the Freedom of Information Act and the Commission's own rules to charge requesters certain fees associated with the costs of searching for, reviewing, and duplicating the sought after information. See 5 U.S.C. § 552(a)(4)(A), 47 C.F.R. § 0.470. In your FOIA letter you agreed to pay up to \$40 for fees incurred. To calculate the appropriate fee, requesters are classified as one of: (1) commercial use requesters; (2) educational requesters, non-commercial scientific organizations, or representatives of the news media; or (3) all other requesters. 47 C.F.R. § 0.470. Under 47 C.F.R. § 0.470(a)(3), you have been classified for fee purposes as category (3), that is, "all other requesters." As such, you will be charged search costs, except for the first two hours, and copying costs, except for the first 100 pages. Processing your request required less than two hours. The information that you requested totals 269 pages of materials. Section 0.465(c)(2) of the Commission's rules has established that, in the event that it is necessary for the Commission to make and furnish copies of its records for the use of others, the fee to be charged shall be 17 cents per page. See 47 C.F.R. § 0.465(c)(2). Accordingly, the total charge for your request is \$28.73 (169 pages x .17 = \$28.73).

You will shortly receive a bill in the amount of \$28.73 from the Financial Operations Division of our Office of Managing Director. Your remittance, payable to the Federal Communications, is due within 30 days after receipt of the bill.

Please do not hesitate to contact me with any questions regarding this response. I may be reached at shoko.hair@fcc.gov.

Sincerely,
