RE: FDIC FOIA Log No. 07-0641

This is in response to your letter of November 10, 2007, received in the FDIC's FOIA/Privacy Act Group on November 19, 2007, in which you requested, pursuant to the Freedom of Information Act, 5 U.S.C. §552 ("FOIA"), "an electronic copy of the FOIA Case Logs for the FDIC for the time period FY2005 and FY2006 and FY2007 to the present" ("FOIA Case Log").

We appreciate your willingness to accept the data fields "ordinarily" included in our responses to requests for the FOIA Case Log, and that you advised that we may omit from our response information pertaining to "Privacy Act and "first party" requests." Accordingly, we interpreted your request to be for the clearly releasable and responsive portions of the following data fields, from the FDIC's FOIA database, for FOIA requests received by the FDIC during the time period January 1, 2005 up to our receipt of your FOIA request: (1) Log No.; (2) Requester; (3) Received Date; (4) Date Closed; (5) Subject; and (6) Disposition.¹ In the case of an individual, only the requester's name is being provided; in the case of a commercial "Requester," the requester's firm, if any, and city and state also is being provided.

The FDIC is granting your FOIA request.

Following records searches of appropriate files, we located the information that you requested. Some of this information previously was disclosed in response to earlier FOIA requests, and includes citations to FOIA Exemptions; the balance of this information expressly was retrieved and reviewed in response to your FOIA request.

I have enclosed a copy of the FDIC's FOIA Case Log (302 pages).² Because we are interpreting your request to be for the clearly releasable and responsive portions of the FOIA Case Log (including any responsive information as earlier released in part), you may ignore the citations to the FOIA Exemptions in the portions of the FOIA Case Log that earlier were disclosed.

¹ In accordance with our interpretation of your request, first party requests, whether made by an individual pursuant to the Privacy Act of 1974, 5 U.S.C. § 552a ("Privacy Act") or made by an individual or other person pursuant to the FOIA, are beyond the scope of your request. Though we were able to exclude the entirety of some first party requests from the FOIA Case Log produced in response to your request, some information that either was not clearly releasable or otherwise was not responsive to your FOIA request needed to be manually redacted.

² You expressed a preference to receive the responsive information in an electronic format, but also stated that a paper copy would be acceptable. Because of the need to redact information, it was not reasonably practicable to provide the responsive information in an electronic format.

You agreed to pay costs to \$40.00, but asked that we advise you in advance of proceeding "if this is voluminous data and will produce more than about 150 pages of paper." For fee purposes, in accordance with the FOIA and the FDIC's published regulations, your request was categorized to be for other than commercial use. Therefore, you are entitled to two hours of free search time and to one hundred pages of free duplication, and will not be assessed any review costs. However, you are responsible for all other search and duplication costs, whether or not any responsive information is located, and if located, whether or not any responsive information is released or withheld.

The direct billable costs of processing your FOIA request are \$40.40, consisting of 202 pages duplicated (i.e., 302 pages, less 100 pages free) @ \$0.20 per page. Because this is substantially consistent with your \$40.00 fee agreement, and in the absence of a telephone number at which we might contact you to further discuss this issue, we assumed that you would wish that we complete the processing of your FOIA request notwithstanding that more than 150 pages were duplicated.

If you have any questions, you may reach me by telephone at (202) 898-6901 or may contact Senior FOIA Specialist Jerry Sussman of my staff at (202) 898-6904.

Thank you for your interest in the FDIC.

Sincerely,

A handwritten signature in black ink, appearing to read "Fredrick L. Fisch", written in a cursive style.
