Re: FOIA-2008-00111  
FOIA Logs

This is in response to your request dated November 10, 2007, under the Freedom of Information Act seeking access to FOIA Logs. In accordance with the FOIA and agency policy, we have searched our records, as of November 19, 2007, the date we received your request in our FOIA office.

We have located 128 pages of responsive records, I am granting partial access to and am enclosing copies of, the accessible records. Portions of these pages, fall within the exemptions to the FOIA's mandatory disclosure requirements, as explained below.

Several FOIA requests involved private individuals requesting records about themselves. I am denying access to these requesters' names and any other identifying information linking consumers to their complaints. This information is exempt from release under FOIA Exemption 6, 5 U.S.C. § 552(b)(6), because individuals' right to privacy outweighs the general public's interest in seeing personal identifying information. *See The Lakin Law Firm v. FTC*, 352 F.3d 1122 (7th Cir. 2003).

If you are not satisfied with this response to your request, you may appeal by writing to Freedom of Information Act Appeal, Office of the General Counsel, Federal Trade Commission, 600 Pennsylvania Avenue, N.W., Washington D.C. 20580, within 30 days of the date of this letter. Please enclose a copy of your original request and a copy of this response. If you believe that we should choose to disclose additional materials beyond what the FOIA requires, please explain why this would be in the public interest.

If you have any questions about the way we handled your request, or about our FOIA regulations or procedures, please contact Troy Krouse at (202)326-3763.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joan E. Fina', is written over the printed name and title.
