JUL 12 2007

This is the final response to your May 27, 2007 Freedom of Information Act (FOIA) request in which you seek a copy of the FOIA Case Log for NSSC for the time period FY2006 and FY2007-to-date.

We carefully reviewed information responsive to your request and determined that it is appropriate for release, in part. Redaction boxes have been placed throughout the 28 responsive pages where information was removed and exemption (b)(6) would likely apply for the withholding of these portions.

FOIA's subsection (b)(6) authorizes the withholding of any information if release would be likely to result in a clearly unwarranted invasion of personal privacy.

Fees for processing your request are minimal and have been waived. However, I consider fee waivers on a case-by-case basis and you may be charged fees for future requests. This report does not include any NAVSEA field activities. The NAVSEA Headquarters standard FOIA Case Log Report is enclosed.

If you have any questions concerning the processing of your request, please contact Ms. Roberta Petrillo, at 202-781-3038, citing your FOIA case number: 2007F060232.

Sincerely,

Stephanie L Carr
