UNITED STATES DEPARTMENT OF COMMERCE
National Institute of Standards and Technology
Gaithersburg, Maryland 20899-

January 9, 2007

This letter serves as the final response to your December 21, 2006 Freedom of Information Act (FOIA) request to the National Institute of Standards and Technology (NIST) for "a copy of NIST's FOIA caselogs for FY2003, FY2004, FY2005 and FY2006 in electronic format."

Your request was received at the NIST FOIA Control Desk on December 27, 2006 and was assigned FOIA Log #07-18.

For the purpose of the FOIA, you are in the "all other requesters" fee category. As such, chargeable services include search and duplication costs excluding the cost of the first two hours of search and 100 pages (15CFR4.11). NIST has conducted a search for responsive records and located four documents that are being released in their entirety. The documents are being provided electronically on a CD.

The search time and duplication costs are under the chargeable threshold and thus the documents are being provided at no cost.

Sincerely,

Catherine S. Fletcher
Freedom of Information Act Officer
