NATIONAL RECONNAISSANCE OFFICE

14675 Lee Road
Chantilly, VA 20151-1715

21 March 2005

This is in response to your letter, dated 17 November 2004, received in the Information Management Services Center of the National Reconnaissance Office (NRO) on 24 November 2004. Pursuant to the Freedom of Information Act (FOIA), you requested "a list of FOIA requests to your agency from 1999 through to November 12, 2004."

Your request was processed in accordance with the FOIA, 5 U.S.C. § 552, as amended, and Section 502 of the Intelligence Authorization Act of 2003. A thorough search for records in our files and database located ten records consisting of eighty-six pages that we believe are responsive to your request. They are being released to you in full.

You requested that our "response should indicate what was requested and whether the request was denied, including what grounds the request was denied (including, but not limited to specific FOIA exemptions, information labeled Critical Infrastructure Information (CII), Sensitive Security Information (SSI), etc." Unfortunately, the database that our agency currently uses for tracking FOIA requests does not have that report function. We have included copies of our Annual Reports to Congress for 1999-2004 with the expectation that they will provide some of that information.

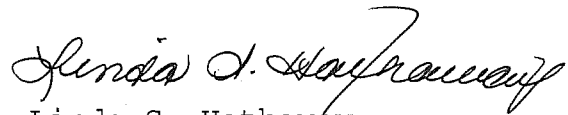

As you are aware, the FOIA authorizes federal agencies to assess fees for record services. Based upon the information provided, you were placed in the "other" category of requesters, which means you are responsible for charges incurred for the

cost of search time exceeding two hours and duplication in excess of the first 100 pages of document reproduction in the processing of this request. In this instance, no fees were incurred.

You have the right to appeal this determination by addressing your appeal to the NRO Appeal Authority, 14675 Lee Road, Chantilly, VA 20151-1715 within 60 days of the above date. Should you decide to do this, please explain the basis of your appeal.

If you have any questions, please call me, Chief, Information Access and Release Team on 703-227-9128 and reference your case number, F05-0006.

Sincerely,

Linda S. Hathaway
