The request "letter" from Rizvi is incoherent. It has been difficult to determine what is actually requested. The "letter" was written on a collection of post-it notes with reference to Rizvi needing a visa, possessing a valid passport and being a "concerned citizen" written on an inner envelope and his/her "family overseas--must see ASAP" written in the "letter." Also included with the "letter," is a piece torn from a magazine on which is printed "strength + wisdom Role model, friend and inspiration... let him know he's all that and more" and "They'll never forget you remembered."
