September 11, 2007

SUBJECT: Freedom of Information Act (FOIA) Request DOE/GO Docket No. GO-07-020 – FOIA Case Logs for Golden Field Office for Time Period FY 2004 – present

This letter is in response to your request under the Freedom of Information Act (FOIA), 5 U.S.C. §552, requesting the information listed below.

You Requested

- FOIA Case Log for Golden Field Office for time period FY 2004 to the present
- Electronic or digital copy in any format convenient to this office
- Addresses and phone numbers associated with each requester

Pursuant to Department of Energy (DOE) regulations implementing the FOIA, 10 C.F.R. 1004.5(b), I am the DOE official responsible for making the initial determination with regard to the disclosure of the information you requested.

Our Response

Your request for documentation regarding the FOIA Case Logs for the Golden Field Office is granted in part and denied in part. Because the total number of pages responsive to your request is below your benchmark of 150 (for which you requested advance notification prior to proceeding), we have proceeded with processing your request.

We are providing the enclosed FOIA log sheets for the DOE Golden Field Office as you requested. You will note that they include the name of the requester, date of the request, date received, requester type, a summary description of the request, close out data, and expenses (if applicable).

We are unable to provide the responsive documents in electronic or digital copy because although the database is electronic, the records are extracted in paper copy.

Your FOIA request also asked that the records include the addresses and phone numbers of the requesters. The Golden Field Office does not include addresses and phone numbers of the requesters when logging the request into our FOIA database. The Freedom of Information Act does not require government agencies to prepare documents where none previously existed, so we are unable to provide this information.

Below is a summary of the number of pages which are being released.

Partial Release	Full Release	Withheld Completely
0 pages	94 pages	0 pages

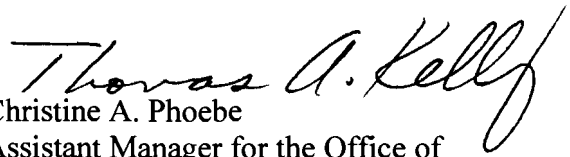

Fees

The fee for this FOIA request has been waived because the search and processing time was below the minimum. If you have any questions, please contact Ms. Anna Martinez-Barnish, Freedom of Information Act Officer, at 303-275-4927

Your Right to Appeal

We have made our best efforts to provide you with a response in as short a time as possible. If for some reason you believe our search has been inadequate, you are entitled to appeal this matter within 30 days of the receipt of this letter by writing to the Director, Office of Hearings and Appeals, HG-1, Department of Energy, 1000 Independence Avenue, SW, Washington, D.C. 20585. Both the letter and the envelope must be clearly marked "Freedom of Information Appeal." You are further advised that judicial review will thereafter be available within the district in which you reside, have a principal place of business, where the records are located, or in the District of Columbia.

Sincerely,

for 
 Christine A. Phoebe
 Assistant Manager for the Office of
 Management & Administration
