Re: USITC's Freedom of Information Act Request 08-16

This is in response to your letter dated November 18, 2007, which we received on December 3, 2007. In that document you requested, pursuant to the Freedom of Information Act (FOIA), copies of our FOIA case logs for the period FY2004, FY 2005, FY2006 and FY2007 to the present.

We have located records responsive to your request. Copies are enclosed.

You may see on our FOIA case logs entries having an N designated behind the FOIA number. This indicates that the request was not a formal FOIA request but was treated as such for tracking purposes.

Sincerely,

A handwritten signature in black ink, appearing to read "Marilyn R. Abbott", is written over the typed name and title.

Marilyn R. Abbott
