RE: FOIA Request No. FI-07-018

This letter is in response to your Freedom of Information Act (FOIA) request, sent to the Department of Transportation (DOT), Office of Inspector General (OIG) dated December 21, 2006. You requested a list of IG investigations closed/completed since October 1, 2005. Enclosed are documents responsive to your request.

You will note that some information was redacted pursuant to exemptions provided by the Freedom of Information Act (5 U.S.C. § 552(b)(2), (6) and (7)(C)). Exemption 2 protects internal information of an administrative nature, which include data processing notations, initials, codes, and other administrative markings. Exemption 6 protects names and any data identifying individuals if public disclosure would be a clearly unwarranted invasion of privacy. Exemption 7(C) protects personal information in law enforcement records. It prevents the disclosure of law enforcement information which could reasonably be expected to constitute an unwarranted invasion of personal privacy.

The FOIA gives you the right to appeal adverse determinations to the appeal officer for the agency. The appeal official for the OIG is the Assistant Inspector General, Brian A. Dettelbach. Any appeal must be submitted within 30 days after you receive this letter. It should contain all facts and arguments that you propose warrant a more favorable determination. Also, please reference FOIA No. FI-07-018 in any correspondence. Appeals to Mr. Dettelbach should be addressed to: U.S. Department of Transportation, Office of Inspector General, 7th Floor West (J3), 1200 New Jersey Avenue, SE, Washington, DC 20590 and prominently marked as a "FOIA Appeal."
